8. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle or pedestrian access proposed to or from the public highway? Yes No

Are there any new public roads to be provided within the site? Yes No

Are there any new public rights of way to be provided within or adjacent to the site? Yes No

Do the proposals require any diversions/extinguishments and/or creation of rights of way? Yes No

Please show details of any existing or proposed rights of way on or adjacent to the site, as well as any alterations to pedestrian and vehicle access, on your plans or drawings.

9. Vehicle Parking

Is vehicle parking relevant to this proposal? Yes No

Please provide information on the existing and proposed number of on-site parking and cycling spaces on your plans.

10. Trees and Hedges

Are there trees or hedges on the proposed development site? Yes No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? Yes No

If Yes to either or both of the above, you will need to provide a full tree survey with accompanying plan before your application can be determined. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'

11. Assessment of Flood Risk

Is the site within an area at risk of flooding? Yes No

Refer to the Welsh Government's Development Advice Maps website.

If the proposed development is within an area at risk of flooding you will need to consider whether it is appropriate to submit a flood consequences assessment. Refer to Section 6 and 7 and Appendix 1 of Technical Advice Note 15: Development and Flood Risk.

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? Yes No

Will the proposal increase the flood risk elsewhere? Yes No

From 7 January 2019, all new developments of more than 1 dwelling house or where the construction area is 100 square metres or more, require Sustainable Drainage Systems (SuDS) for surface water designed and built in accordance with the Welsh Ministers' Statutory SuDS Standards. SuDS Schemes must be approved by your local authority acting in its SuDS Approving Body (SAB) role. Please contact your local authority for details of how to apply.

How will surface water be disposed of?

- Sustainable drainage system
- Existing water course
- Soakaway
- Main sewer
- Pond/lake

12. Biodiversity and Geological Conservation

To assist in answering the following questions refer to the help text. The help text provides further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.

Having referred to the help text, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

a) Protected and priority species

- Yes, on the development site
- Yes, on land adjacent to or near the proposed development
- No

b) Designated sites, important habitats or other biodiversity features

- Yes, on the development site
- Yes, on land adjacent to or near the proposed development
- No

c) Features of geological conservation importance

- Yes, on the development site
- Yes, on land adjacent to or near the proposed development
- No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

13. Foul Sewage

Please state how foul sewage is to be disposed of:

- Mains Sewer
- Septic Tank
- Package Treatment plant
- Cess Pit
- Other
- Unknown

Are you proposing to connect to the existing drainage system? Yes No Unknown

If Yes, please include the details of the existing system on the application drawings. Please state the plan(s)/drawing(s) references.

13. Foul Sewage

Currently noted on drawing Woodsyde Developments TP-GA-500 General Arrangements Plan

14. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste and have arrangements been made for the separate storage and collection of recyclable waste? Yes No

If Yes, please provide details:

In order to minimise the access requirements for turning and navigating of refuse vehicles within the site, bin stores have been consolidated as communal facilities easily accessible to both the multi-unit apartment building and housing terrace to the west end of the primary access route. Recycling boxes for houses are to be accommodated within the dwelling and collected from kerbside.

Provisions have been accounted for providing general waste, communal recycling and individual food caddies. The provision has been calculated based on the following quantities as indicated at <https://en.powys.gov.uk/article/10358/Kerbside-Collection-Policy>

Recycling box: Plastics 55l
Recycling box: Glass 44l
Recycling box: Card 44l
Food caddy: 23l
Residual General Waste: 180l

Two forms of cycle stores are provided - secure storage is provided within a lockable covered purpose built cycle store to the west boundary accommodating a minimum of 20-24 bikes within a proprietary two tier bike rack. A further open cycle store area is provided adjacent to the apartment main entrance complete with Sheffield style cycle stands accommodating a further 12-14 bikes.

15. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste? Yes No

16. Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units? Yes No

If you answered "yes" to the question above, please specify the existing and proposed number of market and affordable dwellings on the attached plans

17. All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace? Yes No

If you have answered Yes to the question above please add details in the following table:

Use Class	Existing gross internal floorspace (square metres)	Gross internal floorspace to be lost by change of use or demolition (square metres)	Total gross new internal floorspace proposed (including changes of use) (square metres)	Net additional gross internal floorspace following development (square metres)
Other	496	496	2507	2011
Total	496	496	2507	2011

For hotels, residential institutions and hostels, please additionally indicate the loss or gain of rooms

18. Employment

Will the proposed development require the employment of any staff? Yes No

19. Hours of Opening

Are Hours of Opening relevant to this proposal?

Yes No

20. Industrial or Commercial Processes and Machinery

Does this proposal involve the carrying out of industrial or commercial activities and processes?

Yes No

Is the proposal for a waste management development?

Yes No

If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make it clear what information it requires on its website

21. Renewable and Low Carbon Energy

Does your proposal involve the installation of a standalone renewable or low-carbon energy development?

Yes No

22. Hazardous Substances

Does the proposal involve the use or storage of any hazardous substances?

Yes No

23. Neighbour and Community Consultation

Have you consulted your neighbours or the local community about the proposal?

Yes No
